

RISK MANAGEMENT AT HIGHVIEW

Loss control, built into the policy.

Highview runs a tiered risk management program that pairs your client with a dedicated consultant, an annual on-site risk assessment and a written service plan. At the top tier we also certify the safety programs that earn your client a state premium credit.

State premium credit certification We build and certify the qualifying programs	10% NY, 5% PA	—	—

At Gold and Silver the assessment interview and site visit are performed by our partner, National Safety and Risk. Credit amounts and eligibility are set by the states. State credits: New York's incentive program (Code Rule 60) is up to 10%, then 6% maintained. Pennsylvania's certified safety committee is 5% annually.
